# Women's Health

Expert Obstetric & Gynecologic Care

**Your Way**

### Our promise to you:

Efficient, thorough and personal obstetric and gynecologic care delivered by specialists in women’s health

#### CONVENIENCE

To accommodate your schedule, appointments are available on weekdays between 7 a.m. and 7 p.m. If you have an urgent concern, we will make every effort to see you on the **same day**. If you need lab tests, an ultrasound or a mammogram, we will strive to schedule your procedures close to your appointment time. Your insurance coverage will be verified in advance.

#### SHORT WAIT TIMES

You will be guided through your visit quickly and efficiently while receiving individualized care and personal time with your doctor.

#### PRIVACY

You can be assured that your visit and your medical records will always be treated with the utmost confidentiality.

#### TIMELY FOLLOW-UP

Test results are sent promptly through the patient portal, MyChart and you may use the portal to contact your provider or care team. Whenever you have questions, you will have ready access to your doctor.

#### INNOVATIVE CARE

The University of Chicago Medicine brings together some of the nation’s top experts in obstetrics and gynecology care, who are leading groundbreaking research studies and life-changing clinical trials.

Quality care at every stage of a woman’s life from pediatric gynecology through post-menopausal health maintenance
